Jesus' Power Helps us to be Bold

Memory Verse

Isaiah 40:29 He giveth power to the faint; and to them that have no might he increaseth strength.

We can all get afraid sometimes. Maybe you are afraid of the dark or maybe you are afraid of heights. A lot of people are afraid right now and you may be too. You may wonder about going back to school or be afraid of a lot of things. God's Power can help us not to be afraid. We learned yesterday God's power gives us hope. Today we learned that God's power can help us not to be afraid and to be bold just like Peter and John
