Jesus' Power Gives us Hope

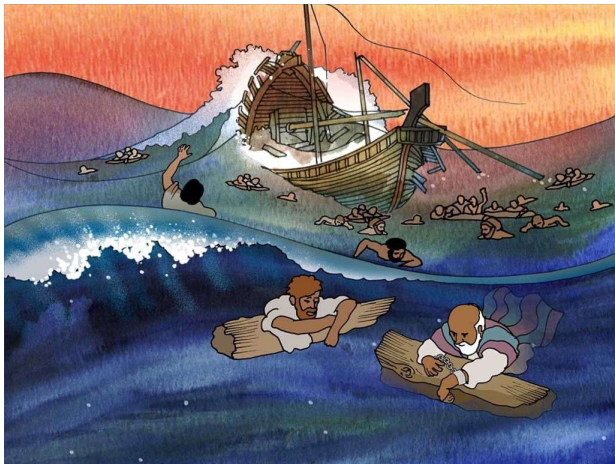

Memory Verse
Psalms 31:24

Be of good courage, and he shall strengthen your heart, all ye that hope in the LORD.

Scrambled up Train

The engineer has a real mess- his train is all scrambled up. Please help him by unscrambling the words

Sometimes things can get a little scary cant they? Maybe you might be a little scared about everything happening. Will I get to go back to school, when will I see my friends, what is going to happen? Sometimes things we don't have control over. That is what we are learning about today. The Apostle Paul was trapped on a ship and tried to warn them but they wouldn't listen and sailed anyhow. Then a storm came and they were helpless. But there was one that they could have hope in and that was God. Even when we are afraid and can't do anything we can trust God and his power. We have hope in him.
