Dear Moms and Dads,

We certainly live in a strange time don't we? We wanted to put this virtual Bible School on to be a help to kids in our community. Normally Vacation Bible School is one of our biggest events of the year at Brush Arbor. We transform our auditorium into a castle, camping trip, western town or another adventure. We have always had a family fun day too where we have inflatables and food and a whole lot of fun. Then this very strange year came along and changed plans for all of us.

We still wanted to do something for the kids of our community though. Right now a lot of kids are swirling in a sea of uncertainty, some are scared, others are frustrated, all are missing their friends, and a lot are just downright bored. As adults and parents we probably can say the same thing too! It seems like all our whole worlds have been turned upside down with a tiny germ. We wanted for kids to have a little something right now to help them that is why we did this- it is certainly not as elaborate as what we normally do but we hope it is an encouragement to your kids and you as well. There are fun page activity sheets that you can print out for each day and at the bottom there is a word search for the Bible stories for the week as well as some coloring pages.

In this uncertain time there is one certainty and that is the Lord Jesus Christ. The Bible says in **Hebrews 13:8** **"Jesus Christ the same yesterday, and to day, and for ever."** We are all a little anxious, frustrated, tired, and a bunch of other things right now but there is one that we can rely on and that is the Lord. We can give him our troubles as 1Peter 5:7 says: **"Casting all your care upon him; for he careth for you."** Indeed Jesus Christ cared enough for you and for me that he died on the cross for our sins. Romans Chapter five tells us: **8 "But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us. 9 Much more then, being now justified by his blood, we shall be saved from wrath through him."** We can have hope in Christ no matter what is going on in our world. Our greatest desire is that you your family and those of our community might have the hope that is found in Christ of eternal life. Please take a minute to read through this web page- it will show you from the Bible how you can know for sure you are going to heaven.
